**AMEND Senate Bill No. 2321**

**House Bill No. 81\***

By adding the following new subsection to the amendatory language of SECTION 1 of  
Amendment # 2:

(e)

(1) All private schools shall also be required to provide  
remediation services to any student who fails a portion of any  
examination required under this section for the portion of the examination  
which the student failed.

(2) All private school students shall be required to successfully  
pass all Gateway Tests prior to receiving a high school diploma.
